Re: MUR 6023 [John McCain 2008 - 3eDC]

Dear Mr Jordan

On July 10<sup>th</sup>, I received at the McCain campaign an envelope from the Federal Election Commission. It contained a letter from you dated both June 16, 2008 and July 10, 2008, and addressed to me at 1990 M Street, NW, Suite 380, Washington, DC 20036. I do not recognize this address, and I am not and have never been associated with this address in any way. Moreover, apparently because of the address error, I did not receive the fifteen (15) day statutory notice as required in 2 U.S.C. § 437g(a)(3) and 11 C.F.R. 111.6. Please address all future correspondence to me at [redacted], Alexandria, VA 22308.

Regarding the substance of the Complaint, I have had no involvement in the matters referred to in the complaint. As only a passive investor in 3eDC, I was not involved in 3eDC's management discussions with the McCain campaign in 2007 concerning the billing of services to the campaign. Furthermore, throughout 2007 and continuing to the present day, I have been recused at the McCain campaign itself from any involvement with 3eDC, and have accordingly not participated in any campaign meetings or discussions regarding 3eDC.

Without waiving any rights I may have due to the lack of statutory notice, please accept the information contained in this letter as my response to the Complaint in MUR 6023. I request that the Complaint against me be dismissed for these reasons:

Sincerely,

Richard H. Davis
